BLUE COLLAR BASTARD

The Blue Collar Bastard is a road warrior who likes to get his hands dirty. Whether it's turning a wrench, or getting the job done, he likes his gear tough and true to his old school biker roots. Beanies, Woven Tops, Denim Pants with a chain wallet is what he feels right in.

BCB

ROUGH CUT RENEGADE

The Rough Cut Renegade requires not only durability in his gear, but functionality as well. He spends the free time he has hunting game and fishing in the wild. No matter how hard the world tries, it can never trap him indoors.

CORE

The Core guy look has been with us since the mayhem all started back in 1999. True to who we are, and never leaving our roots, is what this look is all about.
